

Kitzbühel, September 9th 1958

Dear Professor Seitz:

Thanks for your letter of September 3rd.

A room will be reserved for you at the Grand Hotel by 14th. There is quite a good connection between Geneva and Kitzbühel by a night train with sleepers. When you leave Geneva at 6.04 p.m. you reach comfortably a train leaving Zürich at 11.31 p.m. and arriving Kitzbühel at 6.58 in the morning. It would be necessary however to make reservation for a sleeper compartment in the train Zürich-Kitzbühel. There will be cars waiting for guests of the Hotel meeting all express trains on Sunday.

Sincerely yours
