Dear Prof. Thirring:

Thank you very much for your kind letter from Durham; I was very glad to hear that you enjoyed your stop-over in Pittsburgh! We too regretted that you were so much pressed for time, but hope that we will have another more leisurely get together in the not too distant future.

Enclosed I am sending you a copy of the Mellon News with Mr. Gardon's review of your talk on page 6. I am sending you the complete issue since I thought you might like to get an idea of our informal "weekly" here at the Institute.

With best regards,

Very sincerely yours,
