REFERENCE

Dear Mr. Ambassador,

I am writing to acknowledge receipt of your letter No. 533-A/67, dated 15 February 1967. I was interested to see the article by Professor Hans Thirring, whom, of course, I know personally and whose work is familiar to all those interested in the subject.

His suggestions will be studied with the greatest care with a view to making use of them if circumstances permit.

Yours sincerely,
