Vienna, 18th Mai 1968.

Dear Mr. Cousins,

It was a great pleasure for me to have met you personally.

Unfortunately I am not able for the time being to write the paper on

The Future of Space Industry

because on my way back southwest of the Azores I suffered a stroke and I am still in hospital.

Since this matter is not particularly urgent I shall try to work on it in the fall after my recovery.

Yours sincerely
